Engaged? Congratulations!

Thank you for reaching out with your wedding enquiry, The Blondie babes cannot wait to be part of your special day.

We are extremely grateful and humbled that you think our style and our ethos, to help every bride achieve a wedding look that is uniquely them - but a more polished version aligns with your dream wedding vision.

Our style is relaxed and a little more editorial than overdone glam.

Each of our super talented team of hair stylists and makeup artists has their own unique style, but the work we all produce has a similarity – giving our brides confidence to have any of our team creating their look.

As we are in our beautiful new space, more brides are choosing to come into the salon to enjoy the beautiful surroundings and ambience. We offer a wide variety on our drinks menu, including yummy Baie wines.

If you are getting married outside of Geelong, interstate, or even further we will travel to wherever you request, we have even travelled internationally to accommodate brides.

We can accommodate bookings of any size and travel out of the salon to the location of your choice for bookings of 8 services or more.

We want our Blondie brides to have a calming, positive and memorable experience, our team works with you to personalise and develop the perfect look for you, to ensure that you not only love the look today but for years to come.

Our team likes to push the boundaries of traditional bridal, taking a more modern approach and, in turn, that is the brides we tend to attract. If this sounds like you read on...

We stock Lou Lou Lips, a gorgeous lipstick range available for our brides to purchase so they have their perfect lip colour to touch up. We also offer our clients a convenient sample pot and disposable lip brush of the lip colour we have used in their makeup service.

Your look on the big day will only be amplified by your beautiful skin underneath, and we can help with that too! Our expert Blondie Skin team of dermal therapists can tailor a specific skin care plan to have you glowing and wedding ready for your big day, Blondie Skin offers everything from Hydrafacials, peels, Cosmelan, LED Healite, Microdermabrasion or our signature Blondie Babe radiance facial.

For all new bridal bookings we offer a complimentary skin consultation (usually \$40 redeemable on product) and a complimentary facial treatment which your therapist will tailor to your specific skin needs. This must be redeemed within 1 month of paying your wedding deposit.

We also stock Lonvitalite silk sheet face masks and lip and eye masks to purchase in store which can be applied prior to having your makeup done. These little gems can combat a variety of things and specific masks will be suggested for your specific skin needs if required. We stock the full range of Spray Aus tanning products and we also have a purpose built spray tan room and our team have been trained by the Spray Aus directors themselves in our Ryrie Street store, we specialises in beautiful natural bridal party spray tans using the best product on the market, Spray Aus.

Another pre-wedding suggestion would be to look into having eyebrow feathering if you are lacking in the eyebrow department or even a bit of brow rehab to try and regain fullness. We have 2 expert brow sculpters and Rebecca from Brow Societe also works from our Ryrie street store.

Below is our current pricing which can also be found on our website www.blondie.net.au as can some FAQ's, our team is here to help so please if you have any further questions please do not hesitate to send us your questions or give us a call 5222 1125.

Showpony clip in hair extensions specifically matched to your hair are available to purchase in various amounts usually starting from \$150 which you can then keep and reuse. They are AA quality European blend and can transform a style from great to amazing!

Trial pricing is the same as above and we suggest having your trial about 3 months out from your wedding once you have your dress, veil and vision!

Travel \$140 per hour or part thereof, each way. For interstate and international bookings please ask us for a quote.

For us there is nothing more rewarding than watching a bride slip into her dress after we have finished her glam.

We love that nervous excitement they are experiencing, knowing they are about to walk down the aisle and lock eyes with the love of their life and for that one intimate moment there will be no one else in the room.

Knowing that we played a small part in that gives us butterflies. Being privy to a bridal party of besties laughing, sharing and sometimes crying is the best, we always leave on a high.

We cannot wait to take that journey with you!

Kindest regards
